

CALL FOR PARTICIPATION AND PRESENTATION

International Conference on **Belt and Road Initiative: Nepal Connecting the World** *"Opportunities and Challenges"*

25- 27 February 2019, Kathmandu, Nepal

Key Thematic Issues

- Infrastructure Development
- Drive Tourism and Trade
- Transport Safety

Greetings from Himalayas,

Belt and Road International Transport Alliance (BRITA) is an international organization founded in June 2018 in Beijing and working for Belt and Road related activities around the world. The number of members of BRITA is currently 170 from 33 nations worldwide. The International Conference is organised by BRITA and NASA Foundation, which is the first international conference after BRITA proposed in 2017 in Beijing.

NASA Foundation is one of the founding board members of BRITA.

NASA Foundation Calls for Collaboration, Contributions and Proposed Thematic Presentations on this Conference.

Expected Participants:

Policy Makers, Parliamentarians, Political Leaders, Local Government Leaders, Engineers and Builders, Scholars, Engineering Institutions, Tourism Entrepreneurs, Transport experts and road safety campaigners.

150 participants expected from more than 30 countries.
